

Biodiversity Action Plan

Actions for 2025 – 2026

Action	Where, when , who	Result
Involvement in Planning Applications (PA) that affect the Biodiversity of the village and surrounding areas adversely	Assess the Pas and possible affects on Biodiversity. Where needed put in Objection or Comments to BDC Planning Department (GB/DH/CK)	All PAs received and commented upon took into account the possible and probable impacts on wildlife and biodiversity. These issues were then relayed to Planning Authority
Engaging with parishioners / other groups	<ol style="list-style-type: none"> 1. Arrange Community Events – Litter Pick/ Bird box making etc 2. Put a monthly Wildlife Tip in Parish Magazine 3. Engage with residents of village (40+years living here) to see what they saw then and don't see now (a kind of baseline) 4. Work with Wildlife groups from Neighbouring Villages 5. Devise a short Biodiversity Questionnaire for residents 	<ol style="list-style-type: none"> 1. We held 2 litter picks which were well attended. We also had 2 Bird Box making sessions and a seed planting activity. Biodiversity group offered 2 walks on GWWA. 2. A monthly tip was published in Magazine 3. Not managed to arrange this as yet 4. Worked with Natural Boxford and Nick Miller (Tiger Hill) 5. Questionnaire put on hold for time being
Connecting and enhancing habitats	<ol style="list-style-type: none"> 1. Work in collaboration with Biodiversity group especially on GWWA 2. Establish a small wildflower area in QDJG 	<ol style="list-style-type: none"> 1. Lots of work done on GWWA 2. Still to establish wild area in QDJG
