**ITEM 11.03. LOCAL HOUSING.DOCX**

Dear All

The land offered up for sites has been assessed and given a **R**ed **A**mber **G**reen status. You can see that the land NNE of Greenacre is favoured.

The main document is attached.
My view is that the **G**reen site could offer a number of advantages not least traffic calming at the Greenacre junction. It would allow the pavement alongside Lavenham Road to be kept clear improving access to the VH.

Yours

Mark Freeman
